100% Solution Dyed Acrylic

In Agora<sup>®</sup> fabrics, colour pigments impregnate the polymer dissolution before the fibre is formed. That way, the yarn is dyed to the core, conferring an excellent colour fastness and exceptional behaviour in outdoor conditions and in the presence of micro-organisms. The strong link between the carbon is not destroyed, so the colour does not change with the passage of time.

	LISO	RAYURE	LINES	ABACO	FLAME
Width	160 cm				
Weight	260 g/m <sup>2</sup>				280 g/m <sup>2</sup>
Lenght of roll	50 m				
Rapport	/	15,5 cm	10 cm	15 cm	/
Finish	Water repellent, Anti-stain				
Colour fastness to light	7/8 UNE EN ISO 105-B02:2014				
Uses					
Cleaning instructions					

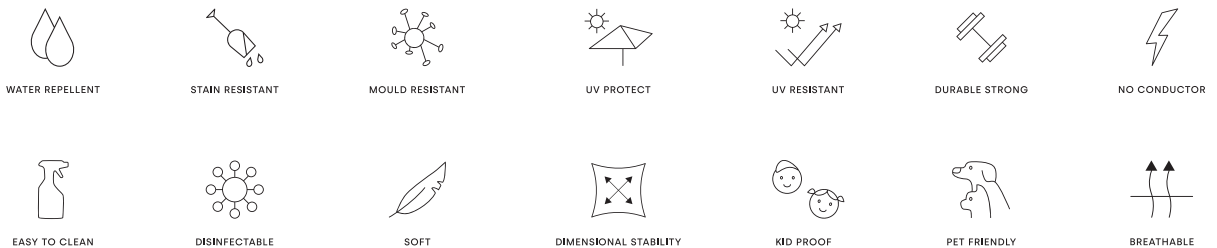

Sensitive values of tolerance +/- 5%.

## Optional fabric finishes

## Qualities

The Agora warranty covers the fabric becoming unserviceable as a result of loss of colour or strength from normal exposure conditions, including sunlight, mildew, rot and atmospheric chemicals, when properly installed, used and maintained. The warranty does not cover labour and installation costs supplied by the dealer. The warranty neither applies against deterioration of any kind due to abusive use, accidental burns, negligence or perforations.

Waterproof and flame retardant finishes: Recommended for cushions and upholstery only. Always use the lamination face inside. Do not expose the coated side to sun or any atmospheric agents.
