ABOUT US

At INTERBLOCCO, we believe that a unique living experience goes beyond the confines of the home. That's why we strive to seamlessly blend indoor and outdoor spaces through a harmonious language, creating a space that's both comfortable and stylish. Our philosophy is rooted in our passion for nature and our desire to help you reconnect with its essence.

We're proud to say that our products are designed and manufactured in India, with the help of a talented team of professionals from various fields, including industrial design, finance and management, and skilled artisans. By utilizing a manufacturing process that involves highly intense manual labor, we're able to build strong and beautiful pieces with an exquisite attention to detail and finishing.

Whether you're looking to enhance your private garden or create a unique identity for your hotel or resort, we're here to help. Our team has built strong and faithful relationships with leading hotelier brands all over India, providing each one with a unique experience that can be translated into traditional, modern, or innovative styles with durable quality.

Thank you for considering INTERBLOCCO for your outdoor living needs.
